ABOUT ME

- Passionate Front-End Developer skilled in **React.js**, JavaScript (ES6+), HTML5, CSS3, and API integration.
- Strong understanding of **performance optimization**, UI/UX principles, and state management.
- Enthusiastic about solving complex problems and continuously learning new technologies.

EDUCATION

- **Galgotia College of Engineering and Technology, Greater Noida, U.P.:** 2021 - 2025
B.Tech in Computer Science & Engineering
SGPA: 7.32 (till 6th Sem)
- **Urmil Unique Central Academy, Gorakhpur, U.P.:** 2018 - 2020
12th Grade Percentage: 70.6%
- **Madhav Public School, Gorakhpur, U.P.:** 2016 - 2018
10th Grade Percentage: 82.4%

TECHNICAL SKILLS

- **Programming Languages:** C++, JavaScript (ES6+), HTML5, CSS3, SQL
- **Frontend Development:** React.js, Tailwind CSS, SASS, Material-UI
- **State Management:** Redux, Context API, React Hooks (useState, useEffect)
- **API Integration:** RESTful APIs, Fetch API, Axios
- **Performance Optimization:** Code Splitting, Lazy Loading, Webpack, Parcel.js
- **Version Control:** Git, GitHub
- **Databases:** SQL (MySQL)
- **Development Tools:** VS Code, Postman, Figma

PROJECTS

- **Food Delivery App** *Live Demo*
 - **Tech:** React.js, JavaScript, HTML5 and CSS3, Parcel.js, RESTful API
 - * Developed a scalable, responsive food delivery application using **React.js** and **Parcel.js**.
 - * Integrated **live API data** fetching from **Swiggy** for real-time restaurant listings and updates.
 - * Implemented **restaurant search**, filters, and cart functionality.
 - * Optimized performance using **React Lazy Loading**, code splitting, and dynamic routing.
- **Rock-Paper-Scissors Game** *Live Demo*
 - **Tech:** React.js, JavaScript, HTML5 and CSS3
 - * Developed an interactive game with **React.js**, JavaScript, HTML5, and CSS3.
 - * Implemented **state management** with **React Hooks** for real-time game updates.
 - * Designed an engaging user experience with **responsive styling** and smooth animations.

CERTIFICATIONS

- Introduction to C++ and DSA in C++ by Coding Ninjas
- OOPs in C++ by Great Learning
- SQL Certification by HackerRank
- CSS3 and HTML5 by Great Learning
- JavaScript Basics by Great Learning
- React.js Tutorial by Great Learning

EXTRACURRICULAR ACTIVITIES

- **Problem Solving:** Solved 200+ coding problems on LeetCode and Code Studio.
- **Badminton Player:** Actively participating in college tournaments. Won
- **Reading Books:** Passionate about reading books on self-improvement and fictional Novels.
